God loves you as you are. You do not have to be good for God to love you.

We have all done wrong things. We have all disobeyed God. We need God to forgive us.

Jesus died on the cross so that all the wrong things we have done can be forgiven. Then we can choose to be friends with God forever.

We have a choice! We can choose to ask Jesus to forgive us. Then we can follow Jesus.

What are you going to choose?

Dear Jesus,

I know that you have given me a choice to live my life your way, or my way.

I choose to live my life Your way.

Please forgive me for all the wrong things I have done. I want to follow you, Jesus, for the rest of my life.

Amen
