

Peter walked on the water when he kept looking at Jesus.

Peter walked on the water when he kept looking at Jesus.

- * Cut around background – no need to be exact! and cut out slit.
- * Cut around Peter. You do not have to be exact!
- * Cut one strip. Fold strip in half.
- * Push one half of strip upwards through slit so you can see the writing facing you.
- * Staple or glue Peter to front of the top of the strip so can move along water.
See separate photograph!
